

Sorted W Matrix

Genes

Components

Word cloud visualization of gene names. The words are arranged in a horizontal, somewhat rectangular shape. The background is dark, and the words are in a light, monospace-style font. The words are of varying sizes, with some being significantly larger than others, indicating their relative frequency or importance. The words are mostly lowercase, with some uppercase letters visible. The overall effect is a dense, textured representation of a large set of data.
